No. 5:19-CV-509-D

Defendant.)

ORDER

This matter is before the court on Plaintiff's unopposed corrected motion to seal portions of documents submitted in connection with Defendant's Motion for Sanctions. Specifically, Plaintiff seeks to seal the filings on the ground they "contain sensitive business and technical information concerning or referencing Syngenta's strategies on sales, marketing, generic competition, its patent portfolio, and evaluating potential illegal azoxystrobin products and potential infringement of and enforcement of its intellectual property." (Corrected Mot. Seal [DE #446] at 1.) Where appropriate, Plaintiff has filed proposed redacted versions of the documents, omitting the portions it contends should not be available to the public.

For the reasons set forth in Plaintiff's motion and supporting memorandum, the court finds that the public's common law right of access is outweighed by Plaintiff's interests in protecting against competitive and/or financial harm were such information made public. *In re Knight Publ'g Co.*, 743 F.2d 231 (4th Cir. 1984). Public notice of Plaintiff's request to seal and a reasonable opportunity to object have been

provided by the filing of its motion, and no objections have been filed with the court. Furthermore, Plaintiff has narrowly tailored its request to remove only information that is sensitive and confidential and not otherwise publicly known. Plaintiff's motion is therefore allowed.

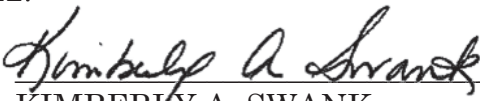

CONCLUSION

For the foregoing reasons, Plaintiff's Corrected Motion to Seal [DE #446] is GRANTED and the following documents shall be SEALED:
